

## **SmileDirectClub Statement on Incident at its Manufacturing Facility**

August 3, 2021

We are shocked and saddened by the tragic incident that took place at our manufacturing facility this morning, and we offer our full support to the victims and their families. The safety of our team members is a top priority for our Company and we maintain strict security protocols. We are grateful that security personnel on site responded quickly to the incident, and we are working to gather all facts and cooperating with local police as they investigate this matter.
